CEARLE HIGGS, CLERK

ARIZONA SUPERIOR COURT
YAVAPAI COUNTY

BY: BOBBI JO BALL

STATE OF ARIZONA,

No. P1300CR201001325

Aka P1300CR20081339

Plaintiff,

Vs.

STEVEN CARROLL DEMOCKER,

Defendant,

REQUEST FOR CLARIFICATION AND
MOTION FOR HEARING

Petitioner pro se William E. (Bill) Williams respectfully requests the Court clarify critical issues and hold a long awaited hearing on matters.

As grounds for the motion, Petitioner states:

1. I am a taxpayer in Yavapai County who has standing with the court.

BACKGROUND

Intervener, William E. (Bill) Williams, is researching the DeMocker case and has been allowed to observe, make oral argument, and write about and within courtroom proceedings in the above captioned matter.

ARGUMENT

This poor, ignorant pro se Petitioner has been listed as Intervener in the above captioned matter and has filed numerous motions related to public access, the public's

right to know and press freedoms, and has even proffered an order the Court requested of him for release of documents

Intervener has had his motions challenged by local attorneys, the County Prosecutor and the state Attorney General, and as of the date of this filing the Court has failed to hold its promised hearings on the matter.

Granted, the court clerk was ordered to post documents in its computer system and on-line for public view, but as of the date of this motion, not all documents at issue have been posted, nor have other motions been acted upon.

This creates the public appearance that the Intervener's motions are now "lost behind the filing cabinet" for the Court to continue to not answer (the Intervener's pleas and requests.)

The harms and prayers for relief in Petitioner's prior pleadings are incorporated herein in full. Legal bases and case law cited in Petitioner's previous pleadings and List of Authorities in P1300CR201001325 – Aka P1300CR20081339 – are incorporated herein in full.

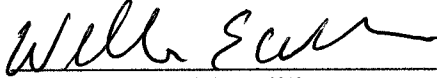

REQUEST FOR RELIEF

For the foregoing reasons, Petitioner respectfully moves the Court to:

- 1 Clarify whether Intervener should be filing requests/motions under P1300CR201001325 or P1300CR20081339.
2. Clarify what judge will hear these matters.
3. Issue the Order Intervener has proffered.
4. Supply all of the records requested.
5. Issue a finding of fact and conclusion of law required of this Judge by statute and case law IF records are not released.

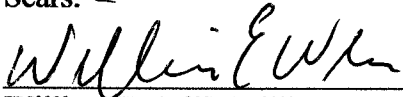

6. Issue an order on the unresolved matters stated above sua sponte and without hearing.
7. Or set a hearing on these matters.

Respectfully Submitted
